VOL. 26 - No. 16

Rensselaer, Indiana

133 Receive Degrees On June 2nd

College graduates must "stand for something in the community and reflect glory on themselves and those who made their college education possible," according to William L. "The efforts put forth here at Saint Joseph's cannot be measured in money. You pay for the privilege of gaining a college education by serving your fellow man. The privilege to serve is the highest privilege there is, and now you must assume the responsibility of leadership. It's up to you to continue the way of life that exists in this country and to make it an even better place in which to live," McFetridge told the 133 graduates, their parents and friends.

McFetridge, 318 W. Randolph, Chicago; Frank C. Callahan, 320 No. Lake Shore, Chicago; and Thomas A. Lewis, 7126 So. Paxton, Chicago, were awarded honorary Doctor of Laws degrees during the Commencement exercises, Callahan, president of Health-Mor, Inc., and Lewis, an investment banker, are members of the board of lay trustees of Saint Joseph's.

Baseball Season Shows Promise

Saint Joseph's varsity baseball team has closed its 1963 season with a 9-15 overall mark and a 3-8 record in the I.C.C.

Coach Don Merki cites a "lack of any effective and consistent power hitting" as a major factor in the Pumas' relatively disappointing season, which included losses in five one-run games.

Merki says that if his hitters could have produced an average of four runs per game, "our record would have been reversed."

Not all was gloomy for the Pumas, however, as many bright spots appeared — bright spots which echo better things in 1964.

Coach Merki notes the fine performance of sophomore shortstop Ken Dockus, who so capably filled the shoes of graduated all-conference shortstop Jim Crowley.

Dockus, the only player to perform in all 24 games, hit 308, led in hits (24) and RBI's (12).

Another pleasant surprise was sophomore catcher Ken Kudla, who hit at a .430 clip during the second half of the season and finished with a .316 average.

Also notable was the much-improved performance of second baseman Tom Carroll, who collected a team-leading .348 batting average. Last year the Chicago junior hit just .163.

Louisville, Ft. Wayne Troy N.Y. Aces To Attend S.J.C.

Basketball coach Jim Holstein announced that two promising basketball players will attend St. Joseph's in the fall of 1963. They are Joe Thompson, All-county and All-district guard for Trinity High School, Louisville, Ky. Thompson, who is six foot, was the second highest scorer in Louisville during the 1962-63 season. Jim Still, first string player for Bishop Luers high school, Fort Wayne, is 6 ft. 3½ in. He was a member of the All-diocesan team.

Billy Williams, Catholic high school All-American from Troy, N.Y., plans to enroll at St. Joe's this coming fall.

Holstein pointed out that Williams is a 6-4 senior at LaSalle Institute in Troy where he scored a total of 1,024 points in his three year varsity career. He was also credited with 742 rebounds.

Williams finished the 1962-63 season with 469 points which averaged out to 21.3 points per game, and led the Troy Cadets to the diocesan league championship.

Joe Murray, '63 from Troy, N.Y., acquainted Williams with the advantages of attending St. Joe.

We Hear

From

Dear Jerry:

It has been some time since I left St. Joe's and I regret that I have not written sooner. At the present time, I am working at the West Bend company, West Bend, Wis., in the retail sales department. I have been there since Sept. 26, 1962. I am very pleased with my job.

Also, I am planning to marry Miss Carole Klink of Hartford, Wis., on June 8, 1963. We are both employed at the West Bend company.

I am enclosing a check, a small token of my appreciation and loyalty to St. Joseph's College. I am very proud to be a member of St. Joe alumni.

Please express my best wishes to all St. Joe men and my classmates of 1961.

My very best regards. Sincerely,
Elmer "Al" Nett, '61,
R. R. No. 2
Fond du Lac, Wisconsin.

Dear Jerry:

Really do enjoy reading *Contact* and want to tell you to keep up the fine work. Wish you all the luck in the world on your new alumni drive.

At present I am attending Officer Candidate School, Ft. Benning, Georgia. Learning all sorts of tactical maneuvers and combat situations. St. Joe was never like this and there are times when I wish I was back again, enjoying the good life.

I plan on getting my commission in September, which should leave me with a little time off so that I can attend the annual homecoming celebration.

Sincerely yours,
A. G. "Tony" Rosich, '62,

Dear Jerry:

I thought perhaps we would meet last Saturday at Jack McCann's wedding in Indianapolis. Apparently, you must have been tied up on more urgent business. We had quite a St. Joe's reunion at the reception with Mr. and Mrs. Bob Connelly, Sr., Father Roof, Bill Mattingly and Frank Lamers, both of Ohio, and Bill Taylor and Joe McNamara of Indianapolis. Anyway, after 34 years of single life we now have Jack launched in the married state.

The basic reason for this letter is to forward my check for the Diamond Jubilee Fund. I don't seem to have a card that you mailed out in the past, but I know you will be happy to accept this without it.

Sincerely,
C. J. Korba, Jr., '51,
9 Salem Place,
Terre Haute, Indiana.
